Work Experience

Flatbed Tow Truck Driver

Empire Towing and Recovery-Mooresville, NC

January 2024 to Present

Run AAA calls and cash calls, take before and after pictures. Just look at Empire Towing's reviews I have gotten them at least 50 5 star reviews in the short time I've been there.

Flatbed Tow Truck Driver

Muellers automotive-Kannapolis, NC

December 2023 to Present

Tow cars for AAA and the police. I've been doing it for a short time but my boss is already wanting to make me an assistant lead because of all the positive reviews.

Lead hvac installer

Tbyrds hvac-Concord, NC

July 2024 to February 2025

1. I remove old equipment the property way step by step
2. I take pictures of everything that I have done at the customers home
3. I feel accomplished because I don't rush through the job but I do everything the right way everytime. I also enjoy teaching any new helpers if necessary.

Lead residential hvac installer

ARS/Rescue Rooter brothers heating and cooling-Statesville, NC

October 2022 to November 2023

Remove old equipment and install new heating and cooling systems and sometimes do complete removal and installation of new ductwork

Residential installer

G+S Heating Air Energy Services-Kannapolis, NC

October 2021 to August 2022

Assist with Installing new heating and air systems, ductwork etc.

HVAC Installer

CONCORD HEATING & AIR CONDITIONING INC-Concord, NC

November 2020 to September 2021

Change outs, new duct, line sets, gas packs, heat pumps etc. Good with trade installation but can learn other manufacturers because they're pretty much the same
