

2026 Sale Guidelines

- The sale will feature approximately 40 lots of quality cattle.
- The sale will be limited to no more than 6 bulls. They should be haltered and gentle. All bulls of breeding age must be semen tested. Yearling bulls will be accepted as regular lots.
- All bred cows must have vet certification of pregnancy, including the number of months bred. This includes F1's.
- If the cow is AI bred or has AI calf by side, you must provide the AI certificate.
- All animals consigned must have interstate health papers. No animals will be permitted in the sale ring without interstate health papers.
- Consignors of purebred cattle will be required to send the **original pedigree** to Philip Gilstrap by April 15th. The **sale fee** for purebred cattle is **12%** of the sale price. The registration certificate must be endorsed (and any breeding information completed) permitting transfer, prior to the animal entering the ring.
- The sale fee for F1's is **8%** of the sale price
- See F-1 guidelines on the consignment form.

A screening committee may choose not to allow an animal in the sale ring if the above guidelines are not adhered to.

If you wish to submit a photo for the catalog, please email only high quality photos to Philip at PGDDFarm@gmail.com

If you are interested in placing cattle in the sale, please download the **consignment** form from our website at www.carolinasbrahman.org and return it along with the registration papers by April 15th. Note – Registration papers must be available at the sale in order to put an animal in the ring.
